N6301	Professional Dimensions of the Generalist Professional	1
N6316	Internship in Generalist nursing practice (180 clinical hours)	6
	<b>Subtotal</b>	<b>9</b>
	<b>Total Hours</b>	<b>70</b>

Students gain admittance in the fall semester and can complete the program in five consecutive semesters, including summer terms. This program can be completed on a part-time basis, however, progression will be dependent upon course availability. Six credit hours per semester is considered full-time status in graduate studies. Completion of the program of study cannot exceed five years as measured by the first semester of enrollment through degree completion. For additional information and course descriptions, visit [www.methodistcol.edu/academic-calendar-and-catalog](http://www.methodistcol.edu/academic-calendar-and-catalog).
