Methodist College offers a 100% online program* for practicing nurses who have passed the NCLEX to obtain their Bachelor of Science in Nursing degree. By obtaining your BSN, you'll be able to advance your career and education, increase your marketability, and meet employer demands. Many hospitals now require nursing applicants to attain a bachelor's degree within five years of hire; more now require a bachelor's degree before being hired.

The Bachelor of Science in Nursing - RN-BSN program offers a robust curriculum, with the added advantage of allowing students the flexibility to work around busy schedules. Students can also transfer up to 90 of the total 120 credits required to complete the BSN.

** Two 30-hour practicums required*
